

## **Agenda (16 October 2017)**

### **Educational Advisory Committee**

#### **Welcome and Opening Remarks:**

(Gary Aronhalt)

Gary will introduce himself and define his role, the Administrative Council's role, and the Committee's role. In addition, Gary will outline the general goals and expectations of the group.

#### **Introductions:**

(All)

Each committee member will provide brief introduction of themselves.

#### **Meeting Scheduling:**

(All)

When, where, and how often will the committee meet?

#### **Briefing from the Administrative Council:**

(Debbie Carpenter)

Debbie will present a history of watershed planning for the Deep Creek Watershed, updates from the Administrative Council, and an introduction to outreach planning.

#### **Goals:**

(All)

We will look at the Deep Creek Watershed Management Plan and evaluate those items identified by the Administrative Council as priorities for the agencies. We will identify the specific goals and objectives that the Educational Advisory Committee will likely need to provide advisory input to the Administrative Council.

#### **Questions for the Administrative Council:**

(All)

The Administrative Council will review any questions or comments from the committee and the watershed coordinator will present the Council's response at the following committee meeting.
