In 1988, the Maryland Recycling Act (MRA) authorized the Maryland Department of the Environment to reduce the disposal of solid waste in Maryland through management, education and regulation. The MRA requires that each of Maryland's jurisdictions develop and implement recycling programs & report the amount and types of materials recycled annually. Please complete this form and **return to GCSW by March 16, 2012**, Attn.: **Kim Madigan, Recycling Coordinator**. Forms may be sent by email to **kmadigan@garrettcountry.org**.; mailed, faxed or hand delivered. If you have any questions or require assistance with the form, please contact the office at your convenience.

Notice: GCSW and the Garrett County Arts Council Co-Host the annual "Rethink Recycling" sculpture contest that celebrates America Recycles Day. This educational program is supported solely with donations from local businesses, civic groups and an Opportunity Grant from the Arts Council. However, we still need your help. The program may be discontinued due to a loss of sponsors & a lack of funds. Sponsors for the local and State event will be recognized throughout the year. Please advise if I may send you additional information on how to become a sponsor for this educational program. **Yes** **No**
