Schedule

- Schedule sewer tap as soon as possible
- Wait to schedule sewer tap until I call to schedule 301-334-6976

The undersigned hereby makes application for sewage service, herein known as an Equivalent Residential User (ERU) from the Garrett County Department of Public Works Utilities Division (DPU), and agrees to pay for same in accordance with the schedule of rates and rules and regulations in effect and on file in the office of the DPU, and in accordance with any changes that may from time to time be made in said rates and rules and regulations.

This application shall not be a binding contract upon the DPU until accepted by it by the installation of the sewer connection for the premises herein described, but it shall thereafter be a binding contract on both parties in accordance with the rules and regulations on file at the DPU office.

Date

Important Notes

1. You must submit a map showing the preferred tap location prior to scheduling the tap and allow at least 4 weeks for completion.
2. Due to weather conditions, taps are not installed between November 15 and March 15.
3. **Line Extension**
If line extension is needed, property owner will be responsible for all costs of extension.
4. **Inactive Fee**
All sewer taps that remain in inactive status for 2 years from the date of purchase shall be assessed a yearly inactive fee of \$320.00 per year, billed quarterly.
