

Chapter 6

Consultant Topic List

1. Update existing conditions, functional classification map, traffic trends and planned improvements based on future traffic projections and the annual Garrett County Transportation Priority List.
2. Update issues of concern, including but not limited to:
 - a. Pedestrian and bike safety concerns in the Deep Creek watershed, especially Glendale Road and Rock Lodge Road
 - b. Safety concerns at the intersections of Glendale Road and US 219, Mosser Road and US 219, and Pysell Road and US 219
 - c. Safety concerns along the US 219 corridor from the bridge to the intersection with Glendale Road, especially at the location of the Lakeside Creamery
 - d. More pedestrian crosswalks at existing intersections on state highways
3. Update existing transit conditions and discuss issues and concerns, including but not limited to the viability of funding for Garrett Transit Service into the future and the need for a broader role for transit within the County.
4. Ensure all discussion of recreational trails, both existing and planned, align with both the Garrett County Land Preservation, Parks and Recreation Plan and Garrett Trails. Include DNR's newly created ATV trails and any planned ATV trails.
5. Explore the practicality of a return of passenger rail service to the Oakland area.
