Garrett County Board of County Commissioners, Garrett County Planning Commission

Garrett County has initiated the 2018 Comprehensive Plan. The purpose of the study is to prepare a blueprint to address the county's future development.

The Visioning Workshop will provide an overview of the purpose and scope of the study and give the public an opportunity to share in the planning process and the way you see the county growing. The information that the County gathers through this meeting will be critical to setting the direction of the comprehensive plan.

### Public Visioning Open House

Friday, May 18, 2018

Garrett College Special Events Center

7-9 pm

# See you there!
