Delivery Time Calendar Days	120-150 Days ARO	180 Days	8 - 12 Weeks	60-75 Days	160 Days	Est. 120 Days

Notes: Criswell Chevrolet - We have included a heavy duty battery and alternator. We are also including and extra leaf spring on crane side to minimize lean. Note: other dealers probably won't include these since they were not required in spec.

Billy Bender - * Includes remaining accessories per your specifications.

Team One - This bid is for a 2014 model year. The autocrane is a power lift and manual rotation and brake. To add power rotation add \$2,350.00 to above price.
