Notes: EPIC Aviation – Avgas fuel source name: EPIC Inventory. Address: 3300 North Delaware Ave., Philadelphia, PA 19134

Purvis Brothers – The delivered price of fuel will be the price on the day that fuel is loaded at the terminal, not the day the fuel is quoted. Standard delivery costs are based on a full trailer load of product. (7500 gal Jet A/8000 gal 100LL). If less than full trailer loads are ordered, the delivery costs would be proportionally higher on a per gallon basis. Split loads are readily available. Fuel surcharges are expressed as a % of the freight component at the markup, currently 30%. The % change is adjusted according to diesel averages and reflects 1% for each 10 cents or fraction thereof.
