SECTION IV - CERTIFICATION

It is hereby agreed and understood that in consideration of the approval of this application, the proposed construction shall be performed and completed in accordance with Garrett County's Utility Ordinance and Specifications and all other applicable County, State, Federal laws, rules, regulations and ordinances, and subject to the inspection and control of the Garrett County Roads Department; and that all plans and other documents submitted by the applicant for approval by the Roads Department in connection with this application are hereby made a material part of this application. In addition to submitting the required forms, Garrett County Roads Department has the right to request a SURETY BOND for the utility installation being applied for. All fees, bonds must be provided in advance of permit issuance.

I further agree to save, indemnify and hold harmless the Board of County Commissioners of Garrett County, Maryland its elected and appointed officials, employees, and volunteers and others working on behalf of the County against all liabilities, judgment, court costs, reasonable attorney's fees and expenses which may in any way accrue against Garrett County as a result of or in consequence of the granting of this permit.

I hereby certify that I have authorization to make this application and that the information is complete and correct. I understand that false statements or misrepresentations could result in, among other things, revocation of the application or permit. I further understand and agree that as a permit holder I will be responsible for the maintenance of crossings for a period of one year after the completion of the permitted project.
